

WESTERLY VISITED BY BURGLARS

While Michael Higgins' Family Were at Pleasant View, His West Broad Street Residence Entered—Every Room Ransacked and Silverware and Valuables Taken.

The residence of Michael Higgins, 144 West Broad street, was entered by burglars Tuesday night, the Higgins family being at their Pleasant View cottage for the summer. Mrs. Higgins, a neighbor, noticed that some of the window shades were raised in the Higgins' house and telephoned the fact to Pleasant View. Mrs. Higgins came to her Broad street home and found that burglars had gained entrance to the house by cutting away a wire screen and raising the pantry window and that every room in the house had been ransacked. Bureau drawers and trunks had been forced open, values and broken glass and a general disarrangement of household effects was evident. The burglars carried away a large quantity of silverware, cut glass and table linen and other articles of value. Mrs. Higgins will not be able to determine just what is taken until she has opportunity to make a thorough examination. There was no money in the house, but it is claimed that the burglars expected to find cash in the bureau drawers as all were examined and the contents thrown about the room.

The burglary was reported Wednesday night to Deputy Sheriff Casey and Patrolman Egan and they are investigating the case.
